**Titles Not Listed Above** – If a member earns titles in disciplines or venues not listed above and feels they are worthy of recognition, that information should be submitted to the committee for consideration.

The titles for the Honors Plaque should indicate a team has advanced working knowledge of the teamwork and skills required to earn these titles, and has demonstrated this knowledge by earning the designated titles through high performance, consistent over time. The intention is to select from each sport the title that reflects these traits.

Only current members are eligible to have their dogs added to the plaque. The club will pay for the listing of a current member’s dog when it earns the title. If a member wishes to honor a dog that has earned one of the titles and is now deceased, they can do so, but will need to pay for the listing.

Submissions for the Honors Plaque will be accepted only during the designated time period when the club notifies members asking for the previous year’s titles. After that time period closes, submissions will no longer be accepted and paid for by the club.

## **PICTURE WALL**

We will maintain 2 sections, live dogs and deceased dogs. You must be a current member to have your dogs’ pictures on the wall. Pictures that are currently on the wall and eligible to remain there will be re-framed and 4RK9s will provide frames so they will be uniform. 4RK9s will supply frames for new pictures that need to be placed. That way, things will look uniform.
